Subject : Clinical Research Training & Education Programs and Workshops

Dear Mr. Shahani,

With reference to your proposal regarding joint activities in the training and education in the burgeoning field of clinical research – trainings and workshops in the field of clinical research and allied areas for 3 months to 1 year duration and short duration workshops.

The organization of training and education course would be done by Cliniminds – Academy for Clinical Research & Education, division of Tenet Health EduTech Pvt. Ltd. Society has reviewed the quality of the programs, and is be happy to approve your programs and would certify the students who would successfully complete the program from Cliniminds, at the terms and conditions mentioned below.

The organisation of the workshops on clinical research should be jointly organize between Pharmaceutical Society of India (PSI) and NUDPS Alumni Association.

research. In order to make these workshops and courses more interactive and industry oriented, participants from other cities and pharmaceutical industry should be encouraged to participate.

Our Society will accept the proposal with the following conditions :-

1. Cliniminds should pay Pharmaceutical Society of India, annual certification charges per students, which would be Rs.1,500/candidate which will also make him an ordinary member of this society.
2. Cliniminds should offer programs at subsidized rates to the members of the society.
3. Cliniminds should contribute a small part of the seminar profits towards the grants for the PSI's activities.
4. Initially the joint venture will be for the period of three years which will be renewed accordingly.

We would like to accept your proposal for the clinical research training and education programs and to have joint conduct of workshop on clinical research, subject to the above terms and conditions and joint certification by Pharmaceutical Society of India and Cliniminds to be provided to all the trainee participants. All certificates of Cliniminds would carry the logo of Pharmaceutical Society of India as a proof of PSI's approval and certification of the programs.

Please send detailed brochure and your acceptance in this regard.

Thanking you.

Yours faithfully,

(Dr. K.P. Bhusari)
President
